Re: *United States of America v. LabQ Clinical Diagnostics, LLC, et al.*, No.
22 Civ. 10313 (LJL)/No. 22 Civ. 751 (LJL)

Dear Hon. Judge Liman:

Our firm represents Defendants LabQ Clinical Diagnostics, LLC; Dart Medical Laboratory, Inc.; Community Mobile Testing Inc.; Moshe Landau; and certain transferee defendants recently named in the amended complaint. See ECF # 56 (Entry of Appearance).

I am writing to inform you that I am currently in Israel, and intended to travel to New York on the evening of June 21st to be present for Tuesday's June 24th conference. However, due to the indefinite closure of Israel's international airport, I will not be able to travel. I have alerted the government as to my situation, and the government consents to adjourning Tuesday's conference until I am able to be present in-person. The other defendants likewise consent.

Accordingly, with the consent of all parties, I respectfully request that Tuesday's conference be adjourned at least ten (10) days.

Thank you for your understanding and consideration.

Respectfully submitted,
